

♩ = 102

IT TAKES A LOT OF LOVE

Words and Music by Wayne Hooper

The piano introduction consists of two systems of music. The first system shows the right hand playing a melody of eighth notes and the left hand playing a bass line of eighth notes. The second system continues this pattern with some chordal accompaniment in the right hand. The tempo is marked as quarter note = 102.

The vocal entry begins with a rest for two measures, then the melody starts with the lyrics: "It takes a lot of love to make the world go 'round, It takes a lot of joy to make the world go 'round, It". The piano accompaniment continues with the same eighth-note bass line and chordal accompaniment in the right hand.

The vocal entry continues with the lyrics: "takes a lot of kind - ness too, It takes a lot of love to calm a takes a lot of mus - ic too, To heal a broken heart when troubles". The piano accompaniment continues with the same eighth-note bass line and chordal accompaniment in the right hand.
