Little Feet, be careful.

J.H. Rosecrans.

TENOR DUET → I washed my hands this morn - ing, O ver - y clean and white,
I told my ears to lis - ten, quite close - ly all day thro',
My eyes are set to watch them, a - bout their work or play,

And lent them both to Je - sus, to work for Him till Night.
For a - ny act of kind - ness, such lit - tle hands can do.
To keep them out of mis - chief, for Je - sus sake all day.

Lit - tle feet be care - ful, where you take me to,
where you take me,

An - y - thing for Je - sus, On - ly let me do.
