

# Living in the Sunlight

Words and Music by Wayne Hooper

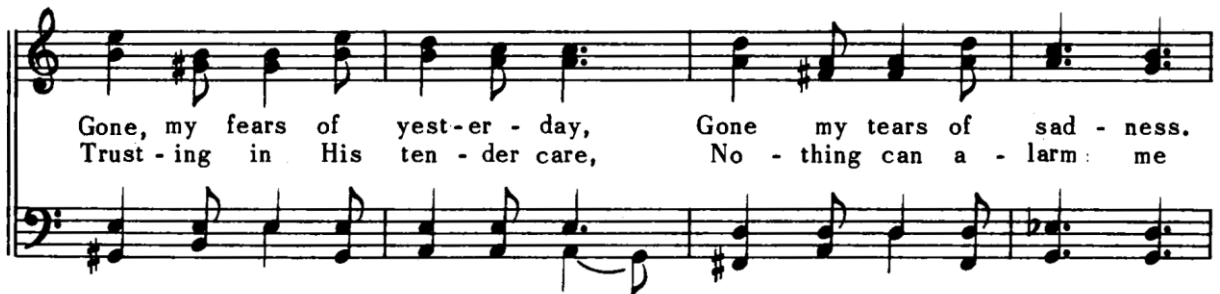

Not Too Fast

1. Liv - ing in the sun - light of His love, Rest - ing on His might - y arm,  
2. When the dark of night be - gins to fall, And the sha - dows 'round me creep;

Know - ing that He watch - es ov - er me, Shield - ing me from an - y harm.  
Then the brill - iant sun - light of His love, Warms me as I go to sleep.

Gone, my fears of yest - er - day, Gone my tears of sad - ness.  
Trust - ing in His ten - der care, No - thing can a - larm me

Liv - ing in the sun - light of His love, Rest - ing on His might - y arm.
