1. The vis - ion of a dy - ing world is vast be - fore our eyes;  
 2. To - day, as un - der - stand - ing's bounds are stretch'd on ev - ery hand,  
 3. The warn - ing bell of judg - ment tolls, a - bove us looms the cross;

We feel the heart - beat of its need, we feel its fee - ble cries;  
 O clothe Thy Word in bright new sounds, and speed it o'er the land.  
 A - round are ev - er - dy - ing souls - how great, how great the loss!

Lord Je - sus Christ, re - vive Thy church in this, her cru - cial hour!  
 Lord Je - sus Christ, em - pow - er us to preach by ev - ery means!  
 O Lord, con - strain and move Thy church, the glad news to im - part!

Lord Je - sus Christ, a - wake Thy church with Spi - rit - giv - en power.  
 Lord Je - sus Christ, em - bold - en us in near and dis - tant scenes.  
 And, Lord, as Thou dost stir Thy church, be - gin with - in my heart.
