+ MEET ME IN THE HOMELAND

Ada R. Habershon

Robert Harkness, Arr. by Wayne Hooper, 65

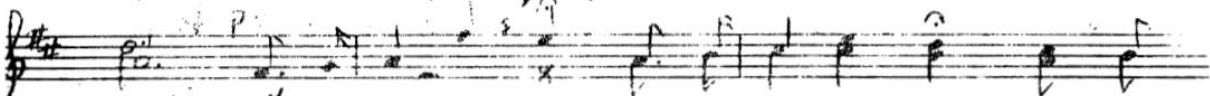

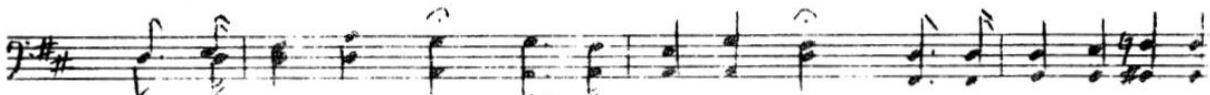

1. Will you meet me in the home - land, Shall we both reach heaven at last,  
2. He has prom - ised soon to take me Where the King will fill my gaze,

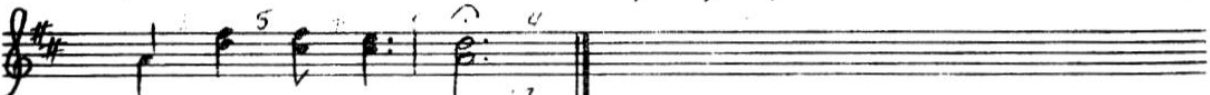

When the train - ing days are end - ed, And life's jour - neys all are past?  
Will your voice with mine be blend - ed In that per - fect hymn of praise?

Will you meet me there? Will you meet me there? 'Tis the Sav - iour bids me

come; Will you meet me there? Will you meet me there? He can

take us safe - ly home!
