Music Copyright 1964, by Wayne Hooper

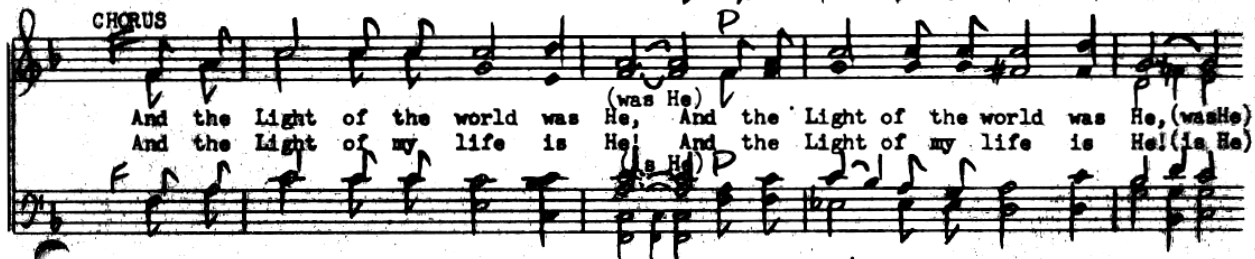

1. Oh, the world was dark, and the world was cold, And not a star to see;
2. Oh, my soul was lost, and my soul was dead, And nev-er a hope for me;

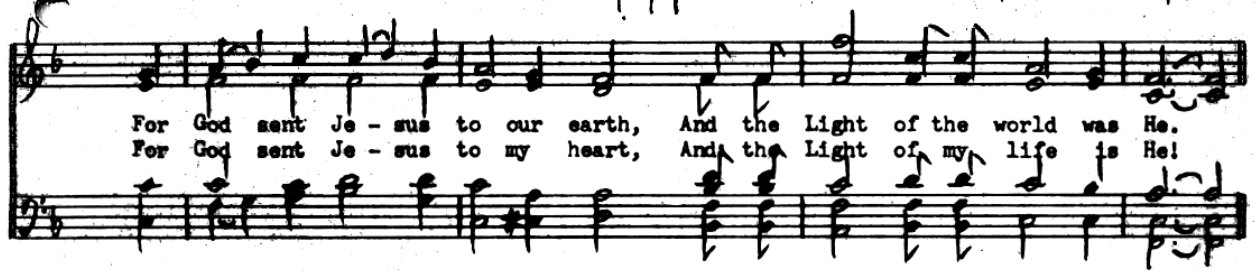

But God sent Je - sus to our earth, And the Light of the world was He.
But God sent Je - sus to my heart, And the Light of my life is He!

CHORUS

And the Light of the world was He, (was He) And the Light of the world was He, (was He)
And the Light of my life is He! And the Light of my life is He! (is He)

For God sent Je - sus to our earth, And the Light of the world was He.
For God sent Je - sus to my heart, And the Light of my life is He!
