'TIS ALMOST TIME FOR THE LORD TO COME

© 1952 by Wayne Hooper Sederquist

'Tis almost time for the Lord to come I hear the
The signs fore-told in the sun and moon In earth and
Go Quick-ly out in the streets and lanes And in the

peo-ple say The stars of heaven are growing dim,
sea and sky A - loud pro-claim to all man-kind
broad high-way, And call the maimed, the halt, and blind.

It must be the breaking of the day.
The coming of the master draweth nigh.
To be ready for the breaking of the day. O it must

be the breaking of the day! O it must be the breaking

SLOW

of the day! The night is al-most gone The day is coming

on; O it must be the break-ing of the day!
