1. Re-joice! Re-joice! our King is com-ing! And the time will not be long,
2. With joy we wait our King's re-turn-ing, From His heav'n-ly man-sions fair,
3. Oh, may we nev-er wea-ry, watch-ing, Nev-er lay our ar-mour down,

*D.S.—*joyce! Re-joyce! our King is com-ing! And the time will not be long,

Un-til we hail the ra-diant dawn-ing, And lift up the glad new song.
And with ten thou-sand saints ap-pear-ing, We shall meet Him in the air.
Un-til He come, and with re-joic-ing Give to each the prom-ised crown.

Un-til we hail the ra-diant dawn-ing, And lift up the glad new song.

Oh, won-drous day! oh, glo-rious morn-ing, When the Son of Man shall come!
