Jesus will make a way through every dark cloud... through every day... I know that Jesus will make a way...
I've been tested and been tried, tossed by winds on every side.

Faced mountains in my way, couldn't see the light of day.

In my desperate hour, I just called on His name, and found that

Jesus, He made a way.
I've been tired and so afraid, been discouraged and so down;

was tempted to give up and felt so ashamed.

But the day I looked to Him and I called on His name, I found that

Jesus, He made a way.
Jesus will make a way.
