right-eous-ness on A-mer-i-ca; Now we un-der-stand the ter-ror of Your with-drawn hand. When we're

weighed in the bal-ance of Your hol-i-ness, We're all found want-ing in Your eyes. Lord, rain

You be-gin to for-give our sin, pur-i-fy us with-in, to be A-mer-i-ca the Blessed.

The Story of the Silversmith

Some time ago, a few people met to study the Scriptures. While reading the third chapter of Malachi, they came upon a remarkable expression in the third verse: *"And He shall sit as a refiner and purifier of silver."*

One lady proposed to visit a silversmith and report what he said about the subject. She went, without telling the object of her errand, and begged the silversmith to tell her about the process of refining silver.

After he had fully described it to her, she asked, "But, sir, do you sit while the work of refining is going on?"

"Oh, yes," replied the silversmith. "I must sit with my eyes steadily fixed on the furnace, for if the time necessary for refining is exceeded in the slightest degree, the silver will be injured."

When God puts His children into a refining furnace, His eyes stay steadily intent on the work of purifying. Our trials do not come at random, and when they must come, He will not let us be tested beyond what we can endure.

Before the lady left, she asked the silversmith one final question. "When do you know the process is complete?"

"Why, that is quite simple," he replied. "When I look into the silver and see my own image, the refining process is finished."

God, our Mak - er, doth pro - vide For our wants to be sup - plied:
First the blade, and then the ear, Then the full corn shall ap - pear:

There, for - ev - er pu - ri - fied, In Thy pres - ence to a - bide:

Come to God's own tem - ple, come, Raise the song of har - vest home.
Lord of har - vest, grant that we Whole - some grain and pure may be.
But the fruit - ful ears to store In His gar - ner ev - er - more.
Come, with all Thine an - gels, Raise the glo - rious har - vest home.
